Mediterranean style

Colours for creating character

The basic color range is earthy, which includes brick reds, oranges, ocher, browns. Intense green, blue and even yellow tones are used to contrast. As accents, the idea is to break the monotony of the solid colored walls with upholstery, furniture and decoration indigenous to this area.

The Neutral moodboard seeks to multiply the clarity of spaces, attracting light and creating more welcoming and enveloping spaces.

Off-white is the predominant color, and it is common for it to coexist with dusty beige and grays. Touches of color are added through accessories, textiles, lamps, paintings, decoration...

Warm woods are sought not only in floors, walls and furniture, but also in all kinds of accessories. The most common varieties are again the clear ones, such as beech or birch.

01

04

RESISTANCE

Ceramic is a strong material that does not deform or freeze and is resistant to even the most aggressive chemical detergents.

Mediterranean

The Mediterranean style is synonymous with light, sun, wood that smells of the countryside, fresh and cheerful colors and wonderful stones.

Its characteristic natural landscapes with crystal clear coves transport us to the best summer of our lives. The Mediterranean is capable of mixing these materials in a vibrant, harmonious and vital way.
